ADVISORY ON CORPORAL PUNISHMENT

Dear Staff Members,

As we remain committed to fostering a safe, respectful, and nurturing learning environment, all teaching and non-teaching staff are hereby reminded that **corporal punishment in any form is strictly prohibited within the school premises.**

All interactions with students must reflect patience, empathy, and positive discipline. We are expected to guide and correct students through constructive methods such as counselling, mentoring, reinforcement of rules, and restorative practices rather than through physical or verbal punishment.

It is reiterated that any act of **corporal punishment** not only undermines the dignity and well-being of a child but is also in **violation of child protection guidelines and school policy. Such actions may attract serious disciplinary consequences.**

Let us collectively uphold a culture where discipline is rooted in respect, care, and responsibility.
