## SUBJECT ENRICHMENT SESSIONS

Dear Parents

(X & XII - Science & Commerce)

As our students embark on the crucial journey towards the Board Examinations 2026–27, your unwavering support, encouragement, and active involvement remain instrumental in fostering their confidence and academic success.

With the commencement of the summer vacation, the school has thoughtfully planned a series of structured revision classes to consolidate and reinforce the learning achieved during the first three months of the academic session. **These classes are intended for students of Classes X and XII (Science & Commerce), as detailed in the attached schedule.** We earnestly request you to ensure your ward's regular and punctual attendance, enabling them to benefit from focused revision, concept strengthening, and timely resolution of academic doubts.

The detailed timetable is attached herewith. Should you require any clarification, please feel free to contact the respective Class Teacher.

We deeply value your continued partnership in nurturing our students' pursuit of excellence.

Warm regards

  
Principal
