

REPORT ON VIDYARTHI VIGYAN MANTHAN 2023-24

VIDYARTHI VIGYAN MANTHAN (VVM) is an initiative of Vijnana Bharati (VIBHA), in collaboration with National Council of Educational Research and Training (NCERT), an institution under the Ministry of Education, Government of India and National Council of Science Museums (NCSM), an autonomous organisation under the Ministry of Culture, Government of India. VVM is a national program for popularizing science among school students of standard VI to XI, conceptualised to identify bright minds with a scientific aptitude from the student community.

OBJECTIVES OF VIDYARTHI VIGYAN MANTHAN (VVM):

1. To create interest among students in pure science.
2. To educate school children about India's contributions, from traditional to modern, to the world of science and technology.
3. To conduct competitive tests to identify students who have a scientific bent of mind.
4. To provide hands-on training to students through workshops and other events.
5. To provide mentors for preparing students to carry forward their education in the field of science.
6. To identify successful students at the State and National levels and felicitate them.
7. To organise exposure visits for the winners to various R&D institutions in the country.
